## Profile:-

Bhansali Metalloys Inc is India's largest Manufacturers & Exporters of Industrial Valves, Pipes & Tubes, Fasteners, Sheets, Plates & Coils, Round Bars & Wires, Flanges, Forged Fittings. We are an ISO 9001:2015 | ISO 14001:2015 | ISO 45001:2018 | European Directive 2014/68/EU Certified Company engaged in importing, supplying and exporting wide array of Pipe Fittings and Ferrous & Non Ferrous Material. These products are widely used for process control and instrumentation connections between pipe size and tube size. We are manufacturer and exporter of Fasteners and All kinds of Fittings in India.

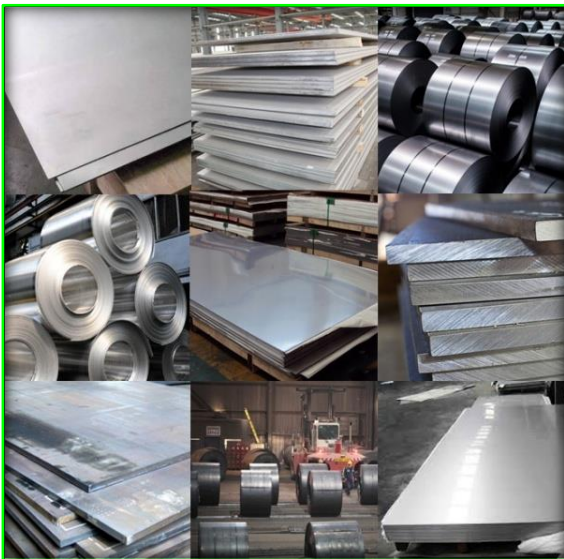

**Bhansali Metalloys Inc** is a force to reckon with in the field of Manufacturing, Export & Supply premium quality Fittings, & Fasteners in Carbon Steel, Alloys Steel, Stainless Steel, Copper Alloys, Aluminum Alloys and High & Low Temperature Products. We serve our customers of all sizes from all over the world. We are frequently innovating, listening to the quickly changing market and giving the consumer the best value for his money.

## Stainless Steel Products:-

We are able to offer an excellent range of Stainless Steel products to our precious clients. Our expertise allows us to offer these products in various sizes, thicknesses, lengths and grades according to our clients' requirements. These products are widely acknowledged by clients due to their durability, corrosion resistance and high tensile strength.

**Stainless Steel Sheets, Plates & Coils**

**Stainless Steel Round Bar & Wires**

**Stainless Steel Pipes & Tubes**

**Stainless Steel Designer Sheets**

## Carbon Steel Products:-

We are one of the prominent exporters and suppliers of high-quality Carbon Steel. Our expertise allows us to offer these products in various sizes, thicknesses, lengths and grades according to our clients' requirements. Our range includes carbon steel tubes, carbon steel flanges, carbon steel forged fittings and carbon steel butt weld fittings.

Carbon Steel Sheets, Plates & Coils

Carbon Steel Round Bars & Wires

Carbon Steel Pipes & Tubes

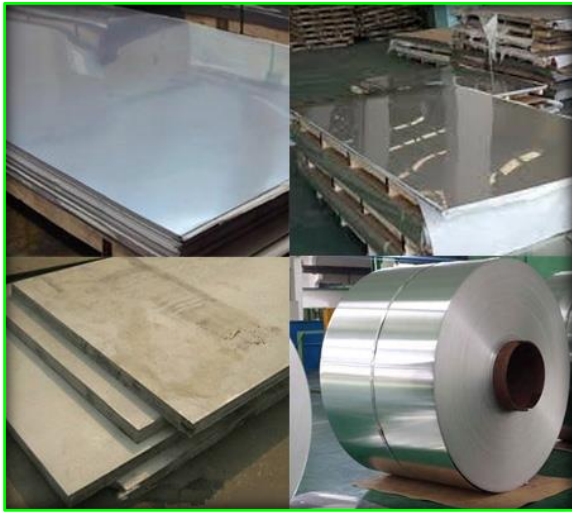

Carbon Buttwelded & Forged Fittings

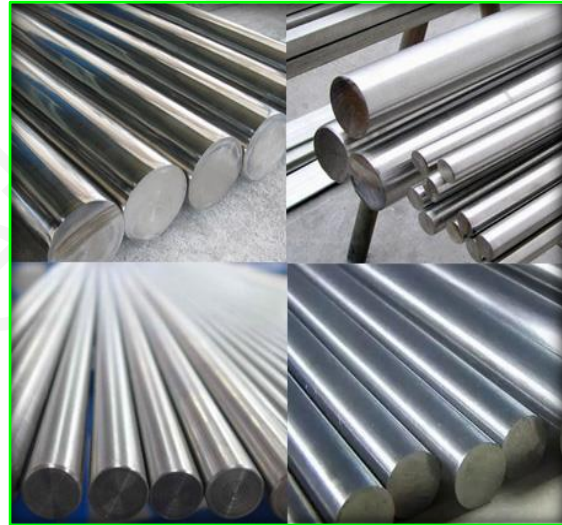

## Monel Steel Products:-

We are providing a wide range of Monel Sheet that is perfectly designed to meet the varied needs of different industries. Our expertise allows us to offer these products in various sizes, thicknesses, lengths and grades according to our clients' requirements. Our range of Monel 400 sheets & plates are highly resistant to atmospheric corrosion, salt water and various acid etc.

**Monel Sheets, Plates & Coils**

**Monel Round Bars**

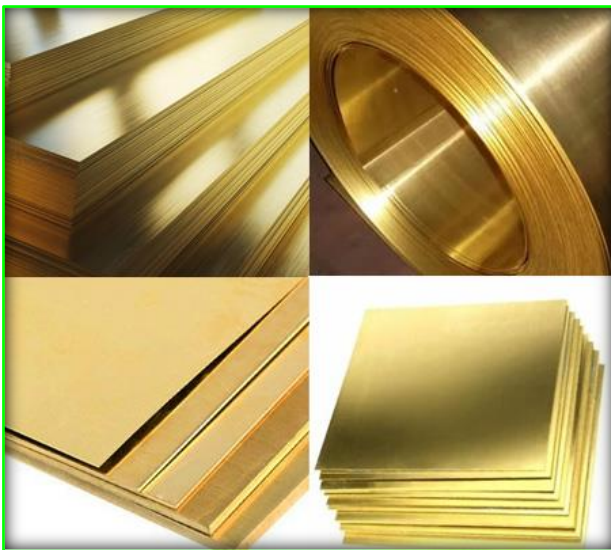

**Monel Pipes & Tubes**

**Monel Flanges**

## Brass Products:-

We are able to provide our valued clients with Brass Sheets, Plates & Coils, Brass Round Bars, and Brass Pipes & Tubes. The final products are quality-tested to deliver perfectly finish products to our customers. These are available with us in various sizes, thickness, and width. We Export as well as Supply Brass Products as per customer's requirement.

**Brass Sheets, Plates & Coils**

**Brass Round Bars & Rods**

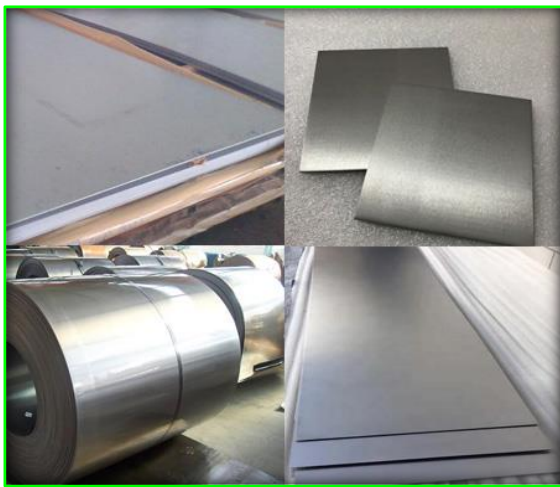

**Brass Pipes & Tubes**

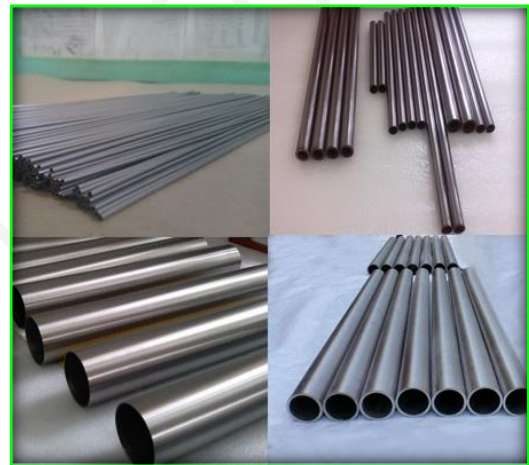

## Niobium Steel Products:-

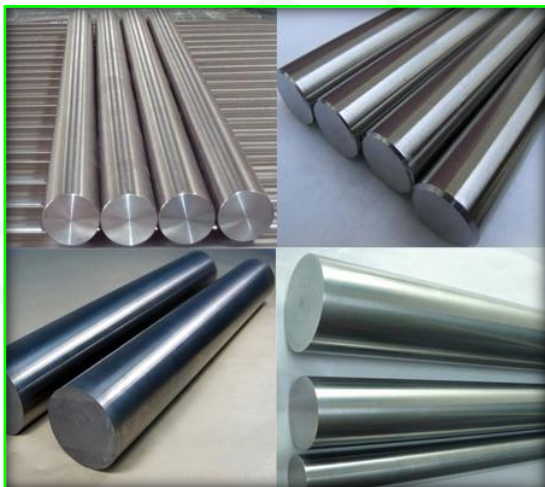

We are one-step ahead of our competitors in manufacturing and exporting a wide range of Niobium Products. We are the leading Exporter, Manufacturer and Supplier of Niobium Sheets, Plates & Coils and Round Bars of different grades and customized as per the requirement of the customers with all the requirement certifications.

**Niobium Sheets, Plates & Coils**

**Niobium Pipes & Tubes**

**Niobium Round Bars & Rods**

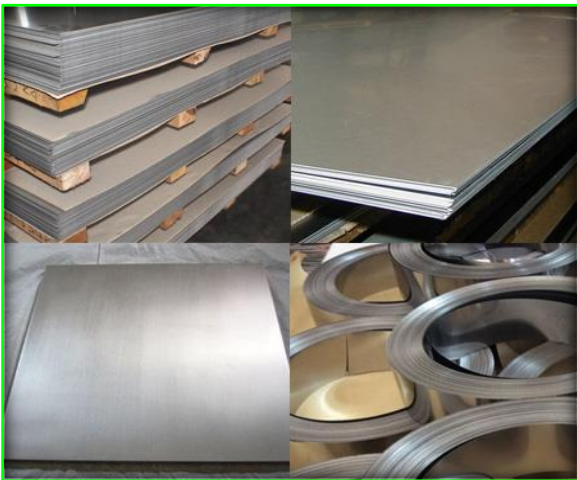

**Industrial Check Valves**

EMAIL ID: - infobmi32@gmail.com | CONTACT NO.: - +91-9152160158 (Whatsapp).

## Tantalum Steel Products:-

We are actively committed towards offering Tantalum Plates, Sheets & Coils, Tantalum Round Bar & Rods, Tantalum Pipes & Tubes in India. Our proficiency allows us to offer these products in various sizes, thicknesses, lengths and grades according to our clients' requirements.

**Tantalum Sheets, Plates & Coils**

**Tantalum Round Bars & Rods**

**Tantalum Pipes & Tubes**

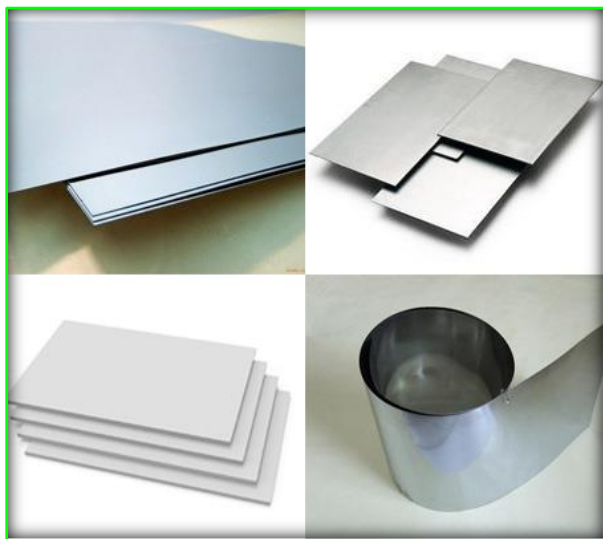

**Industrial Plug Valves**

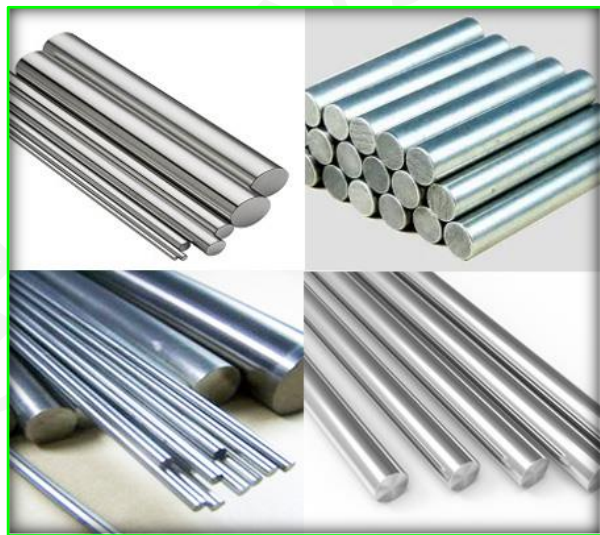

## Molybdenum & Ingots Products:-

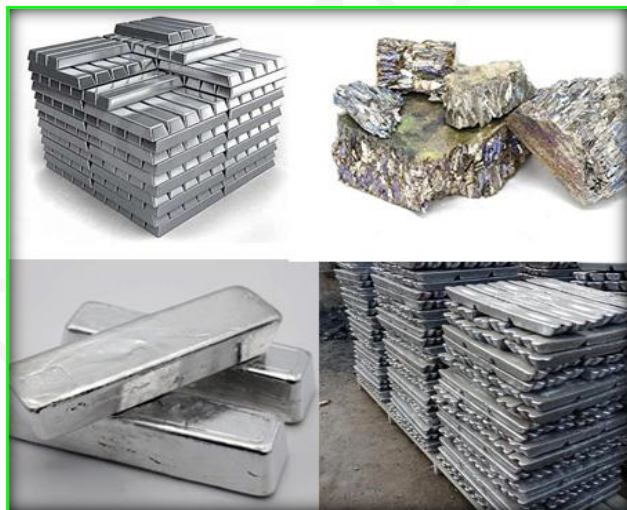

We, Bhansali Metalloys Inc have Molybdenum Round bar, Sheets, Plates, Coils, Rods in 99.95% Purity, we also offer Molybdenum Products with ASTM Molybdenum B387 standard. Also, we are one of the largest manufacturer and exporter of Ingots and focusing upon quality and timely deliver Product.

**Molybdenum Sheets, Plates & Foils**

**Molybdenum Round Bars & Rods**

**Ingots**

**Valves**

## Tungsten Products:-

Bhansali Metalloys Inc selects high quality metal powder and technologic sintered in the hydrogen to produce tungsten pipe and other tungsten products. These high purity tungsten rods can be used as heat conductor, additive, crankshaft and cylinder barrel of automobile, parts of heat-resistant steel and electrode.

**Tungsten Sheets, Plates & Foils**

**Tungsten Round Bars & Rods**

**Tungsten Pipes & Tubes**

**Industrial Valves**

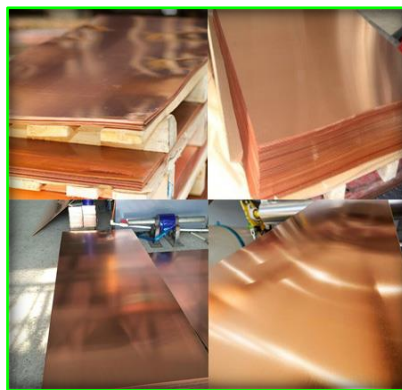

## Cupro Nickel Products:-

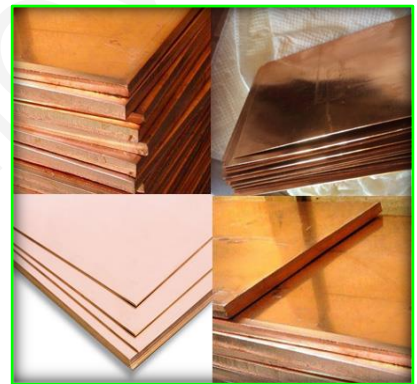

We offer a wide range of high quality cupro nickel alloys to provide to the demands of different industries spread all across the globe. We design our cupro-nickel alloys in standard and customized dimensions and ensure their perfect & long lasting quality.

**Cupro Nickel Coils**

**Cupro Nickel Sheets**

**Cupro Nickel Plates**

**Cupro Nickel Pipes & Tubes**

**Cupro Nickel Round Bar & Rods**

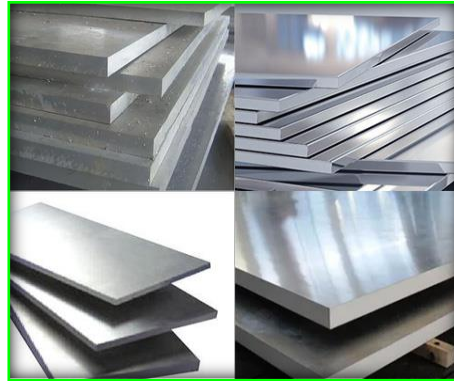

## Aluminium Alloys Products: -

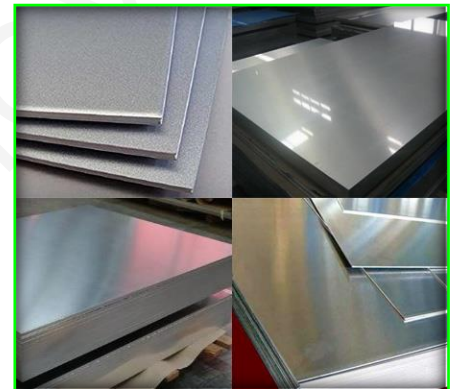

We are dealing in Aluminium Alloys Sheets, Plates & Coils, Aluminium Alloys Pipes & Tubes, Aluminium Alloys Round Bars. We provide a wide range of Aluminum Products which are manufactured using qualitative raw materials and available in different designs. These are available with us in various sizes, thickness, and width.

**Aluminium Alloys Coils**

**Aluminium Alloys Plates**

**Aluminium Alloys Sheets**

**Aluminium Alloys Round Bars**

**Aluminium Alloys Pipes & Tubes**

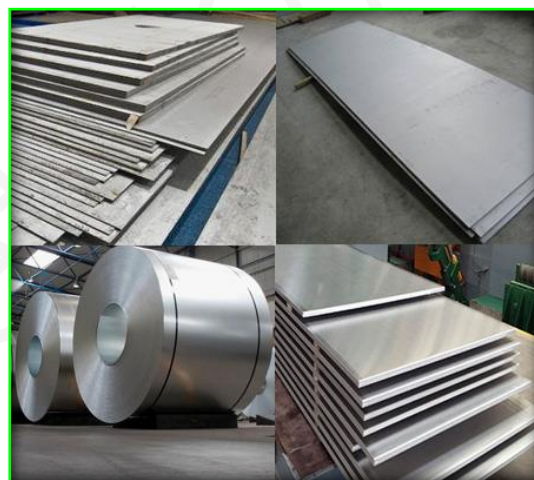

## Nickel Alloys Products:-

We can supply all kinds of Nickel & Nickel alloys. Our expertise allows us to offer these products in various sizes, thicknesses, lengths and grades according to our clients' requirements. We provide a variety of services for you. Available forms are seamless pipe, welded pipe, seamless tube, welded tube, bar, wire, sheet, plate, forgings, pipe fittings and flanges.

**Nickel Alloys Pipes & Tubes**

**Nickel Alloys Sheets, Plates & Coils**

**Nickel Alloys Round Bars**

**Valves**

## Hastelloy Products:-

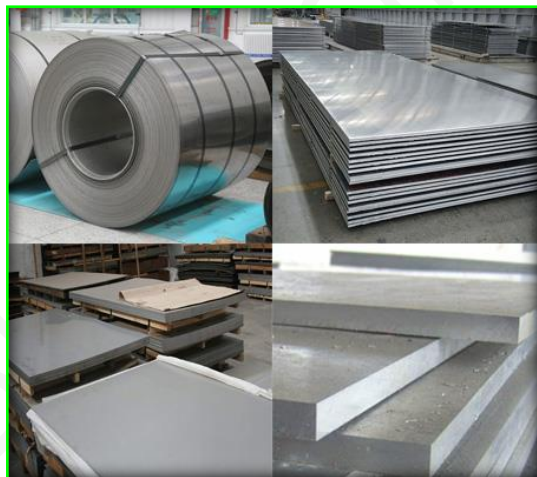

We, Bhansali Metalloys Inc offer a wide range of Hastelloy Sheets, Plates & Coils, Hastelloy Pipes & Tubes, Hastelloy Round Bars, Hastelloy Flanges that finds application in various industries across the globe. We manufactured from quality raw material, these hastelloy plates & hastelloy sheets are known for its unique features such as tight tolerance, smooth surface and uniform mechanical properties.

**Hastelloy Pipes & Tubes**

**Hastelloy Round Bars**

**Hastelloy Sheets, Plates & Coils**

**Hastelloy Flanges**

## Inconel Products:-

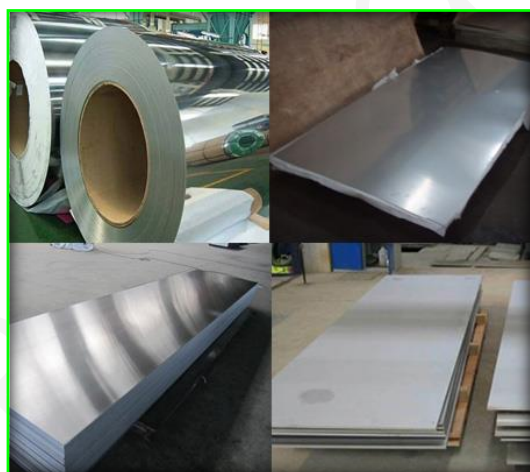

We are one of the prominent exporters and suppliers of a wide range of Inconel Products. These products are widely acknowledged by clients due to their durability, corrosion resistance and high tensile strength. These inconels are manufactured using superior quality raw material as per the requirements of our customers.

**Inconel Round Bars**

**Inconel Pipes & Tubes**

**Inconel Sheets, Plates & Coils**

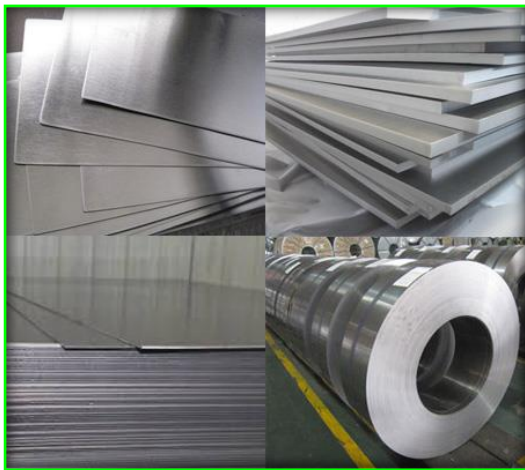

**Industrial Valves**

## Titanium Products:-

We offer an exclusive range of Titanium Sheets, Plates & Coils, Titanium Round Bars, and Titanium Pipes & Tubes for various industrial applications. Our wide range of titanium sheets & titanium plates are quality tested on various parameters before they are delivered to our clients spread across the globe.

**Titanium Sheets, Plates & Coils**

**Titanium Round Bars**

**Titanium Pipes & Tubes**

**Industrial Butterfly Valves**

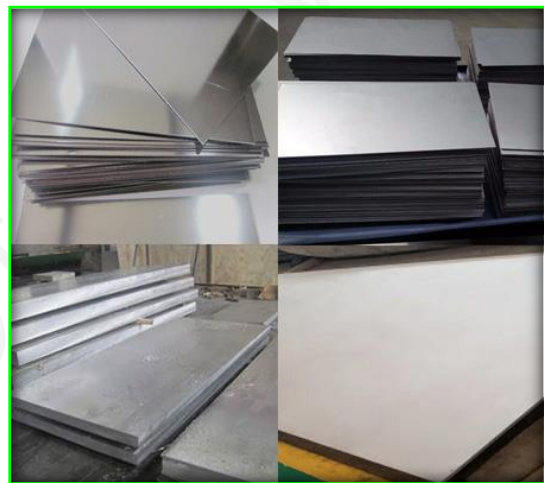

## Nitinol Products:-

We are amongst the most reputed names in the industry, offering Nitinol Sheets, Nitinol Strips & Foils, Nitinol Round Bars, Nitinol Pipes & Tubes. Due to Nitinol's unique properties, it has seen a large demand for use in less invasive medical devices. Nitinol tubing is commonly used in catheters, stents, and super elastic needles.

**Nitinol Strips & Foils**

**Nitinol Sheets**

**Nitinol Pipes & Tubes**

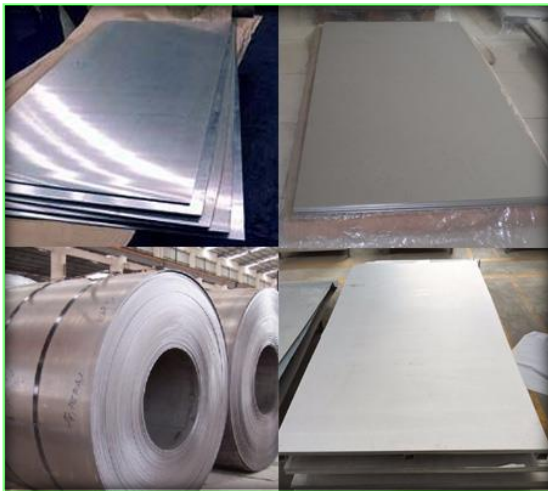

**Nitinol Round Bars**

## Zirconium Products:-

We are one of the most reputed Manufacturers, Suppliers and Exporters in all types of Zirconium Products. These Products are formed with pure zirconium alloy that is one of the most excellent alloys extensively utilize for fabricating various types of mechanical as well as industrial equipment's.

**Zirconium Sheets, Plates & Coils**

**Zirconium Round Bars**

**Zirconium Pipes & Tubes**

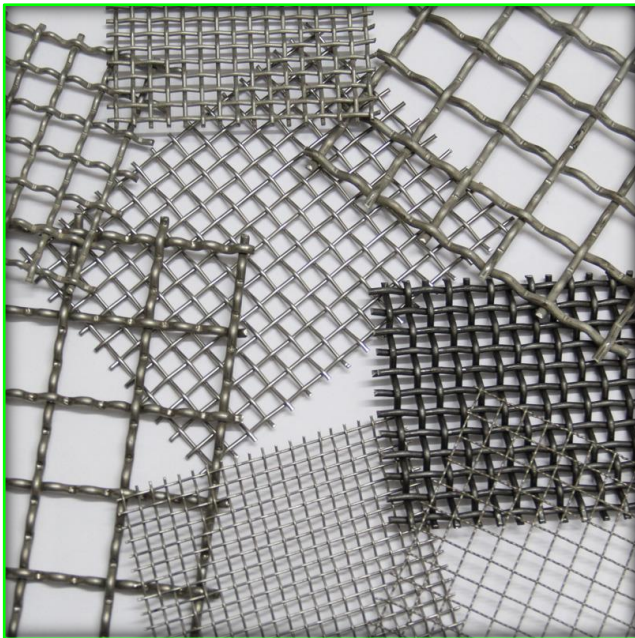

**Industrial Globe Valves**

## Mesh Wire & Capillary Tubes Products:-

We are highly engaged in offering the Mesh Wires all over in India. Also, we are supplying the best quality of Capillary Tubes with the affordable price in India. A capillary tube is nothing but a long, fixed-length tube with a very small diameter that is installed between the condenser and the evaporator. Capillary Tube is widely used for various kind of applications.

**Mesh Wires**

**Capillary Tubes**
